

Rising Milestones

Transformative programs empowering communities through strategic initiatives

Women Empowerment

The program's main objective is to upskill women in order to support them in becoming financially independent and raising their dignity in the process.

Manav Kalyan Kendra Initiated Projects:

- SWA-SHAKTI
- Women Livelihood Restoration Project (WLRP)
- NORAD Project
- Workshops in rural Gujarat on women rights, societal issues and assistance
- Establishing common facility centers for women
- Skill development courses for women

1000+

Women Trained

500+

Self-Employed

200+

Cooperative Centers

5000+

Direct Beneficiaries

Socio-Economic Development Activities

Give someone the right employment opportunities if you want to empower them. Another crucial factor to think about is financial inclusion.

Manav Kalyan Kendra Initiated Programs:

- Entrepreneurship Development Programme
- Group Entrepreneur Development Programme
- Techno Rural Entrepreneur Development Programme
- Rural Employment Generating Programme
- Prime minister's Employment Generating Programme

2000+

Entrepreneurs

15000+

Jobs Created

50 Cr+

Economic Value

500+

Rural Communities

Through comprehensive entrepreneurship programs, MKT has fostered economic independence across rural and urban areas, enabling individuals to establish sustainable enterprises that generate employment and contribute to broader economic development.

Community Health Programme

The main aim of the health programme is to target the under-privileged families who lack the financial means to seek medical attention.

Manav Kalyan Kendra Initiated Projects:

NACP Project/AIDS Prevention (Tejaswini Saptah)

Rural Health Camps

Eye Care Camps

50000+

People Treated

Free health checkups and medical interventions provided to underprivileged communities across rural Gujarat

500+

Health Camps

100%

Free Services

Through comprehensive health initiatives, MKT ensures that medical care reaches those most in need, particularly in rural areas where access to healthcare is limited. Our programs focus on preventive care, awareness, and treatment for vulnerable populations.

Science & Innovation

Aimed at students/Youth to explore global Technology world for innovation and advancement in science and technology.

Manav Kalyan Kendra Initiated Projects:

- Information & Technology Awareness Project
- Vigyan Jatha Activity
- Disaster Management
- Vermri Composed Training

50000+

Students Reached

200+

Schools Engaged

100+

Vigyan Jathas

15

Innovation Centers

By fostering scientific curiosity and technological awareness among youth, MKT bridges the gap between classroom learning and real-world innovation. Our programs inspire the next generation of scientists, engineers, and problem-solvers.

Welfare Activities for Salt Workers

Special welfare activities are required to uplift the economic conditions of salt workers and ensure their dignity and safety.

Manav Kalyan Kendra Initiated Projects:

Namak Maidoor Awas Yojna

Housing scheme for salt Workers

Awareness Camps

Safety Measures of Salt Workers

Community Support

Welfare and livelihood assistance

10000+

Salt Workers Benefited

500+

Homes Built

100+

Awareness Camps

Salt workers, often among the most marginalized communities, require focused support for livelihood improvement, housing security, and workplace safety. MKT's comprehensive welfare programs address these critical needs through housing schemes and awareness initiatives.
